## **Life Insurance Replacement Declaration**

Do not cancel your existing policy until the new policy is in force and you accept it. Before you cancel your life insurance policy you should have answers to the questions below. Ask any insurance agent or broker, or an independent person, for help if you need it.

## Questions about your present life insurance policy

- 1. Why do you want to replace your policy? Is the new policy better for you? How?
- 2. Should you just buy more insurance or change your policy? How much will these changes cost?
- 3. When should you cancel your present policy? When is your next annual dividend paid? Will the timing affect your cancellation charges?
- 4. Will you pay more income tax if you cancel your present policy?

## Questions on the advantages and disadvantages of a new life insurance policy

- 1. Do you understand the type of insurance policy you are buying? Is it a *term life*, *whole life*, or *universal life* insurance policy? You should know the differences.
- 2. Are there times when the new policy will not pay all the benefits that your present policy does? Examples are suicide and contestable periods and contractual exclusions.
- 3. Will the new policy pay as much as your present policy? Examples are death benefits, cash values, and dividends.
- 4. Does the new policy have the same extra, or optional, benefits as your present policy? Examples are waiver of premium, guaranteed insurability, accidental death, and family member riders.
- 5. Are there cancellation charges on the new policy?
- 6. What guarantees apply to your present and proposed policies? Which policy has the best guarantees?
- 7. Will either of the policy premiums (payments) go up? For how long will the premiums stay the same? How much will they increase?
- 8. *Important*: The agent needs to give you copies of the documents used to compare the two policies.
